Delegation of Rights and Non Violation Statement

Be[at] the Virus is a project, developed in the framework of the study course Interactive Media Design of Hochschule Darmstadt - Faculty of Media, during the Summer Term 2020. It is a group work of: Diandra Hermann, Florian Grünewald, Marie Sasse and Leander Schmidt. It was mentored by: Prof. Andrea Krajewski, Garrit Schaap, Dieter Stasch. We herewith delegate the non exclusive and timewise non restricted rights to publish and present the results of the project Be[at] the Virus to the Professors of Hochschule Darmstadt and to the coaches directly connected to the academic supervision of this project, named above. In the same time the student project team declares that with the project no intellectual properties rights of third parties have been harmed.
